

MRS. KIESO SICK SEVEN MONTHS

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Aurora, Ill.—"For seven long months I suffered from a female trouble, with severe pains in my back and sides until I became so weak I could hardly walk from chair to chair, and got so nervous I would jump at the slightest noise. I was entirely unfit to do my housework, I was giving up hope of ever being well, when my sister asked me to try Lydia E. Pinkham's Vegetable Compound. I took six bottles and today I am a healthy woman able to do my own housework. I wish every suffering woman would try Lydia E. Pinkham's Vegetable Compound, and find out for themselves how good it is."—Mrs. CARL A. KIESO, 508 North Ave., Aurora, Ill.

The great number of unsolicited testimonials on file at the Pinkham Laboratory, many of which are from time to time published by permission, are proof of the value of Lydia E. Pinkham's Vegetable Compound, in the treatment of female ills. Every ailing woman in the United States is cordially invited to write to the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for special advice. It is free, will bring you health and may save your life.

A Vitalizing and Delicious Food

Grape-Nuts provides, in concentrated form, the entire nutriment of wheat and barley, including their vitalizing mineral elements as grown in the grain.

This food is partially predigested in the making, so that it is easily and promptly assimilated. Usually eaten with milk, or cream, it is wonderfully delicious.

Grape-Nuts, in handy, tightly sealed containers, is ready to serve—crisp and fresh. It is a food for the robust child, the growing child, and the invalid.

MARKET BETTER AS BOARD MEETS

Stocks were stronger at the session of the stock exchange this morning than they had been on previous days. Olan gained an eighth, Waiwala a quarter and Pioneer a half over between board prices. Oahu, however, lost a quarter.

There was a decided spurt of activity on change yesterday afternoon and this morning. Between boards sales of listed stocks were 1187 shares and at the session 345. Prices on sales were Olan 14 and 14 1/8, Ewa 32 3/4, Waiwala 30 3/4 and 31, C. Brewer & Co. 460, Hawaiian Commercial 48 1/2, Pioneer 37 and 37 1/2, Hawaiian Pineapple 41 1/2, and Oahu 29 1/4 and 29. No explanation of the decline of Olan yesterday has been offered by any of the brokers other than that it was either forced selling or an attempt to bear the stock in the market.

Mineral Products furnished nearly all of the dealings in unlisted stocks and more than 15,000 shares sold at 50 cents. The only other unlisted stock dealt in was Montana-Bingham, 2800 shares at 35 cents. Quotations on other stocks were Oil \$2.90@3.3, Engels Copper \$5.50@5.75, Mountain King 37@38 cents, Madera 28@29 cents, Tipperary 3@4 cents and California-Hawaiian Development 3 cents bid.

Tomorrow being election day there will be no session of the exchange.

Cohen Applies For New Liquor License

The Liquor License Commissioners report that J. C. Cohen holds a wholesale liquor license; also that Mr. Cohen has applied for a wholesale liquor license for the year beginning July 1, 1917. Evidently if Mr. Cohen expects to be Mayor he sees no reason why that high official should not run a liquor business also.—The Anti-Saloon League.—Adv.

BIG BUILDING IS UNDER WAY HERE

The first 15 days of May saw a big increase in building over last month and averages up very well with that of last year. Permits issued number 40 and the total estimate cost was \$144,341. In fact for 15 days it comes very close to the record.

The large permits issued were \$55,000 for the Alexander Hotel annex on Hotel street; \$27,945 for the erection of an additional school building at the Kaahumanu school and \$17,500 for the construction of an addition to the Royal Hawaiian garage.

That the war is having very little effect on the small home builders is also evident by the fact that 32 new cottages and bungalows were started. Other businesses also came in for its share of buildings including new stores and garages and there was considerable repair work done.

CANTONERS FOR ROADS OF OAHU

Senator A. L. Castle, referring to published comment on the lack of a cantonier system for Oahu's roads, said today that the legislature of 1917 had seen this lack and remedied it.

"Perhaps it is not generally known that under the loan fund bill provisions, cantoniers will be provided for Oahu's roads, but such is the case," he said. "This applies to Oahu's roads only. On the other islands loan fund plans there was objection to the adoption of the system. But Oahu's new belt-road construction is to be augmented by the establishment of this system to guarantee efficient maintenance."
